Head of CSEC

The IT product identified in this certificate has been evaluated at an accredited and licensed evaluation facility established under the Swedish Common Criteria Evaluation and Certification Scheme using the Common Methodology for IT Security Evaluation, version 3.1 revision 5, for conformance to the Common Criteria for IT Security Evaluation, version 3.1 revision 5. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete certification report. The evaluation has been conducted in accordance with the provisions of the Swedish Common Criteria Evaluation and Certification Scheme and the conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced. This certificate is not an endorsement of the IT product by CSEC or by any other organisation that recognises or gives effect to this certificate, and no warranty of the IT product by CSEC or by any other organisation that recognises or gives effect to this certificate, is either expressed or implied. The validity of the certificate may change over time. For information regarding the current status of the certificate, please contact CSEC or look at the CSEC website.
