Product Manufacturer: Comex Electronics AB

Type of product: Smart Card Reader

Instance Package: F.31.4 + JLC_FLR1

Evaluation Facility: www.information.security.se

Certification Report Identifier: Certification Report - Comex Smart Card Reader KT2USB / BioSec Reader, version 1.0, 2013-12-19, SMP/MV/5211-015.1

is through decision

2013-12-19

certified in accordance with Common Criteria and the Swedish Certification Scheme

Dag Strömman
Head of CSEC

The IT product identified in this certificate has been evaluated by an accredited evaluation facility using a methodology defined in the Common Methodology for IT Security Evaluation, version 3.1, section 4, for conformance to the Common Criteria for IT Security Evaluation, version 3.1, section 6.

The evaluation has been conducted in accordance with the requirements in SWEAC's Regulations and General Conditions (SWEAC 2007:21) for Bodies Certifying IT security and is based on the conclusions presented in the evaluation technical report. This certificate is not an endorsement of the IT product by the certification body or by any other organization that recognizes or gives effect to this certificate. The certificate is only applicable to the specific product and version in the configuration that has been evaluated according to the certification report.
